

Property Economic Update

Date: Thursday, 20 September 2018

Time: 7:30am- 9:00 am

Venue: Four Seasons Sydney

Cost: \$30 Members; \$70 NM ; \$600 Table of 10

Details:

With the slowdown in the residential market well underway, how far does it slow and can a pick-up in commercial construction fill the gap? Also as the drag from the resources sector ends, are there opportunities around the country for a recovery in construction activity as economic activity and population growth move closer to normal?

Frank Allen discusses the Sydney market and will also touch on what is happening in the other states.

You are invited to attend our annual event. Please come along for a hot delicious breakfast and get your yearly dose. Book a seat/s or a whole table and bring your colleagues. Discounted for group bookings.

Speaker :

Frank Allen is director of Property Markets for Westpac. He is responsible for highlighting future market risk for various property sector around Australia including construction markets and commercial investment developments .Prior to this, Frank has also worked as Director of Research for Colliers, Richard Ellis and Jones Lang Wootton.

Address:

Residential Suite, Level 2
