International Arbitration Panel Event: Recent Developments in the Asia-Pacific Region

Corrs Chambers Westgarth is honoured to host this panel discussion which features prominent experts in the field of international arbitration.

Come along to hear about recent developments in the Asia-Pacific region including the impact of China's Belt and Road Initiative on international arbitrations as well as what can and is being done to increase Australia's profile as a seat of arbitration.

There will be an opportunity to put questions to our esteemed panel and moderator on the evening.

Kind regards
Corrs Chambers Westgarth
