## SPONSORSHIP PROSPECTUS

2019

## **Invitation from the Society of Construction Law Australia Sponsorship Opportunities 2019**

The partnerships that SoCLA has with our corporate affiliates and other corporate supporters are invaluable to the success of SoCLA in achieving our objectives.

In 2019 we have three types of sponsorship opportunities available:

- Sponsorship of the mentoring program; and
- Sponsorship in relation to hosting a range of seminars on our events calendar throughout the year; and
- A variety of different sponsorship roles in relation to the SoCLA National Conference which are set out in further detail later in this prospectus.

We are pleased to be able to offer varying levels of sponsorship involvement, which are outlined in the selection of packages contained within this document. However, if there are ways you would like to participate or to support the conference other than the options outlined, we are happy to consider your suggestions and discuss other options with you.

I encourage you to take advantage of these unique opportunities and invite you to consider the benefits of participating as a sponsor.

Please do not hesitate to contact our Sponsorship Manager, Kara Vague (0459 299 343 / [kara.vague@downergroup.com](mailto:kara.vague@downergroup.com)) if you would like to discuss any of the partnership opportunities which are outlined in this document.

Regards

# **Society of Construction Law Australia Mentoring Program 2019 Sponsorship Opportunities**

## About the mentoring program

The mentor program is available exclusively to SoCLA financial members and is hosted by the Young Constructors Committee.

The program commenced in 2015 and has more than tripled in numbers since.

Designed to be flexible, the Mentoring Program runs from April/May - December and is tailored to meet the needs of our diverse professional base from senior practitioners to student members.

## Benefits to Sponsors

The Society of Construction Law Australia's National Mentoring Partnership will provide the following benefits to sponsors:

- Maximum exposure at Launch of the Mentoring Program – to be held in each major city in Australia (usually around 80 attendees)
- Opportunity to open the mentoring program officially at the Launch of the Mentoring Program
- Opportunity to participate in a SoCLA podcast to discuss the mentoring program and what it means to your firm to be our partner
- The opportunity to deliver a clear message that you have a genuine commitment to importance of mentoring and the development of junior personnel in our industry
- High visibility on the website and Mentoring communication materials
- Building brand awareness and education of your brand within the market
- Building prospect databases with networking opportunities with some of the world's leading practitioners in construction law.

## Sponsorship at a Glance

The sponsorship opportunity is exclusive and is for \$5000 for the 2019 Mentoring Program.

There is also an opportunity to host the launch of the mentoring program. This would involve providing a space to cater for 100 people, AV equipment (microphones) and refreshments after the formal part of the evening.

We would love to turn the sponsorship opportunity into a long term partnership and we are willing to offer you first right of refusal for future years before we go out to the open market.

The \$5,000 that you contribute as part of your sponsorship commitment will go towards the costs of running the program – which include the specialist consultant that we engage to run the program and provide support to our members.

It should be noted that we can look at a pro rata arrangement if the mentoring program has already commenced when the partnership arrangement is agreed – this will be discussed between the parties.
