

Australia

**The Society of Construction Law Australia**

INVITES YOU TO A PRESENTATION ON:

***" Co-Insurance: a Complete Defence for Claims by Head Contractors against Sub-Contractors?"***

By

**Nick Longley, Partner**

HFW Australia

**Tuesday 30 October 2018**

5:45pm for 6:00pm start

This presentation will review recent cases concerning co-insurance in England and in Scotland including *Gard Marine and Energy v. China National Chartering* [2017] 1 WLR 1793 and *SSE Generation v Hochtief Solutions* [2018] CSIH 26, in particular the extent to which co-insurance potentially prevents claims by contractors against sub-contractors.

**Nick Longley** is a Partner who advises on construction and construction insurance law, focusing particularly on arbitration relating to major infrastructure and energy-related projects. Nick is on the list of arbitrators at the HKIAC, an IAMA Grade 3 arbitrator as well as being on the list of arbitrators held by the Asian International Arbitration Centre. Nick is admitted in England and Wales, Hong Kong and Victoria, Australia.

**Venue:** **HFW Australia**  
Level 39, 600 Bourke Street  
Melbourne VIC 3000

**RSVP:** Please [RSVP here](#)

**Charge:** *No charge*

***Following the presentation there will be an opportunity to network with your colleagues over refreshments. We look forward to seeing you there.***
